

# Refund Policy

In order to provide each team fair play and an opponent, the brackets are final after they are posted to the website. A team that drops from the tournament after the brackets are prepared will forfeit all entry fees. There will be **no exception to this policy.**

## Based on 3 game guarantee

<b>No Games Played</b>	<b>100% refund</b>
<b>1 Game Played</b>	<b>50% refund</b>
<b>2 Games Played</b>	<b>No refund</b>

**Cancellations will be determined by the Tournament Director. If a team forfeits prior to the tournament being cancelled due to weather, no refund will be issued.**

Please have your team at the park early enough to allow your team to check in and warm-up as needed to take the field at game time. There are no grace periods for game time. **All teams are required to be at their field and ready to play 30 minutes prior to the game time.** Once the tournament starts, the Tournament Director may adjust game times in order to keep the tournament flowing. The Tournament Director will make every effort to contact the teams that may be affected but it is your responsibility to check for updates on the brackets.
